(UNITED STATES DISTRICT COURT EASTERN
DISTRICT OF MICHIGAN SOUTHERN DIVISION:
WENDY KUBIK, et. al., Plaintiff, vs. WILLIE GARY,
et al., Defendants: CIVIL ACTION
NO. 03-CV-73350-DT: DISTRICT JUDGE PAUL
D. BORMAN, MAGISTRATE JUDGE MONA K.
MAJZOUB)

In ruling against Willie Gary, the judge stated:

“The Defendants to this action formerly represented the Plaintiffs in several sexual harassment lawsuits filed against Company A [Ford Motor] and Company B [Visteon]. Ultimately, Defendants purportedly settled Plaintiffs’ claims for \$16 million of which Defendants allegedly took \$6 million off the top as a separate fee owed them by Company A and/or Company B and retained 1/3 of the remaining \$10 million on contingency. The remaining \$6.7 million was divided among the 42 Plaintiffs in a structured settlement to be paid out in annuities over several years . Following the settlement, Plaintiff Harsen discovered, mixed in with other documents, a spreadsheet that references Defendants’ \$3,309,771.55 contingency fee, Defendants’ \$6 million fee for programs, and a \$51.5 million line item for ‘programmatic relief’...the Court is convinced that there is probable cause to believe that a fraud has been attempted or committed...”
